AQUATHERM FACIAL

Sensitive Skin (75mins) £70

This calming facial is for a skin that is easily reactive, prone to redness and blemishes. Using spring waters from the French Pyrenees, pH balance of the skin is restored leaving the skin refreshed and calm. Soothes and calms sensitivity. Strengthens the skin from the environment, hormonal imbalances and prevents premature ageing.

Specifically for sensitive, reactive and peri/menopausal skins.

POWER C FACIAL

Skin Boosting/Glowing (75mins) £70

Ideal pre-holiday treatment improves the appearance of the skin using pure Vitamin C. Instantly boosting the skin leaving it glowing. Vitamin C is one of the most valued active ingredients in dermatology due to its multiple benefits on the skin. Not only is it one of the most powerful antioxidants known, it also stimulates the skin's metabolism and the formation of collagen. Main ingredients are oranges and kiwi fruit. A good treatment to regulate melanin production.

Not suitable for sensitive skin.

GLOBAL LIFT FACIAL

Anti-Ageing/Lifting (90mins) £90

An advanced treatment for ageing, sagging skin. Focuses mainly on the neck, jowls and cheek area using Gene technology within the cell nucleus. Helps plump and restore ageing and tired skin. Balances and improves the skin's natural hydrodynamics, obtaining an optimum degree of hydration by combining hyaluronic acid of different weights with a potent aquaporin activator.

Suitable for all skin types.

CORRECTIVE ANTI-WRINKLES TREATMENT

(90 mins)

£100

This is an anti-ageing facial for mature skins, that effectively targets expression lines and wrinkles using the latest cosmetic drone technology.

The innovative blends of three action mechanisms in a single treatment; peeling, filling and de-contracting, is able to produce an intense smoothing effect on the deepest wrinkles. The result: wrinkles disappear naturally and gradually from the first treatment.

POWER OXYGEN

(60 mins)

£70

This oxygen infusion is combined with a gentle massage of manual lymphatic drainage techniques. These techniques help to improve circulation, reduce puffiness, and promote detoxification of the skin.

The Skeyndor Power Oxygen Facial is suitable for all skin types and is particularly beneficial for dull, tired or congested skin. It helps to improve the skin's texture, clarity, and overall radiance. It provides a pampering experience while delivering visible improvements in the skin's appearance and vitality.
